The TV room also opens directly onto the deck, with both areas enjoying beautiful views over the sparkling pool and natural surroundings. Stretching almost the full length of the home, this entire entertainment area creates an extraordinary connection between the home, garden, pool and roaming game beyond.

Adding warmth and character, both the lounge and dining area are complemented by a wood-burning fireplace, while a newly installed top-tier central air conditioning system ensures year-round comfort throughout the home.

The beautifully designed kitchen is generous in scale, offering extensive workspace and surface area, centred around a striking feature island with a solid wood countertop. Expansive windows continue the home’s indoor-outdoor theme, while the separate scullery ensures practicality for everyday family living and entertaining alike.

The bedroom layout has been thoughtfully designed to offer both privacy and functionality. One wing of the home accommodates the luxurious master suite together with two additional bedrooms and a private office, all opening directly onto the garden and outdoor spaces. The master suite is a peaceful sanctuary featuring high-volume ceilings with exposed trusses, double doors opening onto the garden, a walk-in dresser area and a spacious en-suite bathroom designed to enhance the connection to nature. A large feature window overlooks a private atrium garden, while the shower opens directly outdoors, creating a truly unique indoor-outdoor experience. Additional features include a double vanity and separate toilet.

The two additional bedrooms on this wing share a full bathroom, while the private office also enjoys garden access and natural views, making it an inspiring work-from-home space.

Privately positioned adjacent to the entrance is the fourth bedroom suite, complete with its own en-suite bathroom and doors opening onto a secluded private atrium garden - ideal for guests or extended family.

An additional suite with private access has been beautifully finished with laminated flooring and an en-suite bathroom, offering excellent flexibility as guest accommodation, an additional office, studio space or staff accommodation.

Further enhancing the home’s practicality are a double garage, covered carport and 16 solar panels.
